JUNE 2024

<p>GENERAL NOTES</p>

1	<p>All visuals and photos are indicative only, to provide the bidder with an approximate idea on the required goods and materials. In case that any photo/ visual or any item specification include a brand name and /or any range of products from any brand/label, this should not prevent the bidder to propose the concerned item from another brand so long as the technical requirement for this item are met.</p> <p>The indicated technical specifications shall be considered as the minimum technical requirements of the purchaser. Any bid including items with equivalent or higher specifications shall be accepted during the bids evaluation.</p>
2	All BOQ unit rates shall be tax and duty free prices in accordance with the grant agreement.
3	The bidder shall allow for factory inspection, review for samples and prior approval of items before any shipment. The inspection team shall be constituted of at least three members representing the Employer, the beneficiary and the consultant. The BOQ rates are deemed to include all necessary expenses and fees related to this service.
4	The bid shall include the list of inspection visits that the bidder is intending to schedule as well as the list of tests to be conducted in factory, in case that is applicable, as per manufacturers recommendations.
